LVS® NON-EXCLUSIVE LICENSE AGREEMENT

Label Vision Systems, Inc., having a principal place of business at 101 Auburn Court, Peachtree City, GA 30269 (**LICENSOR**), for good and valuable consideration, hereby grants a nonexclusive limited license to the purchaser of LICENSOR'S product (hereinafter **LICENSEE**) to use certain LICENSOR software programs and related materials (hereinafter the Programs) for the support of LICENSOR'S product subject to the following terms and conditions:

1.0 DEFINITIONS

- 1.1 Programs** shall include each software program provided with LICENSOR'S product sold to LICENSEE, including but not limited to executable modules, user manuals and related documentation, in machine readable or printed form; and any and all enhancements, modifications, patches, upgrades, releases, developments, adaptations, and derivative works related thereto, no matter by whom developed.
- 1.2 Licensee** shall mean Licensee and its employees that are authorized by this License Agreement to use one or more of the Programs.
- 1.3 User** shall mean a particular individual person that is authorized to use or access the Programs under this License Agreement.

2.0 LICENSE

2.1 Grant of license

LICENSOR hereby grants LICENSEE a non-exclusive, non-transferable, limited, revocable license to use the Programs.

2.2 Ownership

All right, title and interest in and to the Programs and related materials are and shall remain vested in, and shall vest solely with, LICENSOR.

2.3 No alterations or derivative works without consent of LICENSOR

This License Agreement does not grant LICENSEE the right to make derivative works or otherwise alter the Programs or related materials. LICENSEE may not itself, or by the actions of any third party, volunteer, or contractor (hereinafter referred to as LICENSEE'S Designee), inspect, work on, improve, reverse engineer, enhance, adapt, or develop the Programs or any of them, in any manner whatsoever (collectively Alterations), without express written permission from LICENSOR. LICENSEE shall not make any replacements or substitutions to the Programs and related materials without the written consent of LICENSOR. Any such replacements or substitutions shall become the property of LICENSOR and subject to this License Agreement unless LICENSOR and LICENSEE agree otherwise in writing.

2.4 Ownership of Alterations including derivative works

If LICENSOR consents to Alterations, including but not limited to Alterations that constitute copyrightable or patentable derivative works, by LICENSEE or

LICENSEE's Designee, LICENSEE agrees that all right, title and interest in and to any and all Alterations developed by LICENSEE or by LICENSEE's Designee, shall be works made for hire for LICENSOR if they are of a character that may be recognized as such under applicable law; and if not, that all right, title and interest in and to such Alterations shall be and hereby are transferred and assigned by LICENSEE to LICENSOR, and that LICENSEE shall execute suitable transfer and assignment documents upon request by LICENSOR; or, as appropriate, that LICENSEE shall ensure that LICENSEE's Designee performing such work shall transfer and assign all right, title and interest in and to the Alterations to LICENSOR, including all proprietary information related to the Programs and the Alterations that is developed by LICENSEE's Designee. LICENSEE agrees that it will be responsible for ensuring that appropriate contractual, work made for hire, and transfer and assignment documents are executed by it and/or by LICENSEE's Designee.

2.5 No removal of proprietary legends or notices

LICENSEE agrees not to remove or destroy any proprietary or confidential legends or markings (including but not limited to copyright or trademark notices) placed upon or contained within the Programs and related materials.

2.6 LICENSEE data

LICENSEE retains all rights to its data that may be used in conjunction with the Programs.

2.7 Location of use; no transfer; right of inspection

LICENSEE shall ensure that the Programs and related materials are used only by authorized Users. LICENSEE shall not transfer the License to anyone or any other company. If LICENSOR believes in good faith that the LICENSEE has misused the License, LICENSOR may request the right to inspect the premises of LICENSEE or seek court order to do so if permission is denied.

2.8 No access by unauthorized persons or entities

LICENSEE will not permit the Programs or related materials to be used, accessed, inspected, reviewed or viewed either directly or indirectly by any unauthorized person or entity.

2.9 No sublicenses or unauthorized extensions of license

LICENSEE may not grant sublicenses or other rights in or to the Programs to others, or assign or transfer the License in whole or part, or any rights in or to the Programs, to any third party.

2.10 Confidentiality; protection and non-disclosure

LICENSEE recognizes and agrees that the Programs and related materials and information related to them, are (i) considered by LICENSOR to be trade secrets; (ii) provided to LICENSEE in confidence; and (iii) the exclusive and proprietary property and information of LICENSOR. LICENSEE represents and warrants that it will not disclose Programs or any related materials or information to any unauthorized person or entity, including but not limited to third parties, directly

or indirectly, without express written authorization from LICENSOR. In the event a request is made for LICENSEE to disclose Programs or any related materials or information to a third party, LICENSEE promptly shall give written notice to LICENSOR identifying the requesting persons or entities and, if known to LICENSEE, stating the reasons such requests have been made. LICENSOR shall determine in its sole discretion whether the requested disclosures should be made, and if not, what action to take.

2.11 LICENSOR's right to terminate

LICENSOR shall have the right immediately to terminate this License Agreement should LICENSEE violate any of its provisions. Such termination shall be effective upon LICENSOR's giving notice to LICENSEE.

3.0 LICENSEE FEES

The fees for this License Agreement shall be the amounts specified in the sales agreement regarding LICENSOR's product.

4.0 TERM AND TERMINATION

4.1 Term

This License Agreement shall have a term that is commensurate with the period of time that LICENSEE owns the product purchased from LICENSOR unless sooner terminated as provided in the License Agreement.

4.2 Obligations survive

Upon termination of this License Agreement, all rights and obligations of the parties shall cease, except LICENSEE's obligations regarding: confidentiality; return and warranty of complete return of all copies of the Programs and related materials to LICENSOR; assisting LICENSOR in protecting its intellectual property and in defending against any third party claims of infringement; venue, consent to suit, and choice of laws; attorneys fees and costs; payment of license fees, costs, interest and taxes; limitations of liability; and indemnity, which shall survive termination of this License Agreement.

4.3 Return of Programs

Within ten (10) days of termination of this License Agreement, LICENSEE shall:

- (a) deliver or cause to be delivered to LICENSOR all copies of Programs and related materials, or any parts thereof, that are in the possession or under the control of LICENSEE, whether furnished to LICENSEE by LICENSOR (or on LICENSOR's behalf) or made or created by LICENSEE or by any third party acting for or on behalf of LICENSEE; and permanently erase or cause to be permanently erased any such copies that reside on any of LICENSEE's computers, servers, or other equipment or storage devices;
- (b) warrant that the original and all copies of Programs and related materials, or of any parts thereof, have been destroyed or returned to LICENSOR; and
- (c) turn over to LICENSOR all copies in the possession or under the control of LICENSEE of any documentation, listings, notes or other written material of any kind ("LICENSEE Writings) pertaining to the Programs or related materials, whether furnished by LICENSOR or a third

party, except for any LICENSEE data at termination. For the purposes of this provision, LICENSEE Writings include without limitation copies of any such documents or information or other materials however recorded or made, in any medium of recording or storage, including but not limited to written paper documents and documents recorded or stored in electronic form on any device or medium.

4.4 Other bases for termination

Subject to Section 9.02 (Default), LICENSOR shall have the right to terminate this License Agreement, by giving written notice of such termination to LICENSEE, in the event that LICENSEE (i) fails to pay LICENSOR any sums due hereunder or for LICENSOR's product, (ii) fails to observe any of LICENSEE's obligations hereunder with respect to proprietary information or confidentiality, or (iii) fails to perform or observe any other material term or obligation set forth in this License Agreement.

4.5 LICENSOR's right to terminate for infringement claims

LICENSOR reserves the right immediately to terminate this License Agreement if any claims for copyright or patent infringement, or infringement or misappropriation of any intellectual property rights, or for unfair competition or trade practices or other misuse, relating to the Programs or related materials, or any parts thereof, are asserted against LICENSOR, or LICENSOR's employees, officers, agents, representatives or contractors. Such determination shall be in the sole discretion of LICENSOR. Termination on this basis shall be effective on notice in writing to LICENSEE by LICENSOR, stating the reason for such termination. This Section 4.05 is not subject to the notice and cure provisions of Section 9.02 (Default).

4.6 Termination cumulative with other rights

The right of termination under this Section 4.0 shall be in addition to any other right or remedy LICENSOR may have at law or in equity.

5.0 PAYMENTS

5.1 Payment due upon invoice

Fees for the License are included in the price paid by LICENSEE to LICENSOR for the product purchased from LICENSOR. If LICENSEE is paying for the product over time, then the License granted to LICENSEE by LICENSOR is valid only for as long as LICENSEE is current in its payment obligations to LICENSOR.

6.0 SECURITY/SECREC

6.1 Duty of nondisclosure

LICENSEE shall ensure that the Programs and related materials, or any portion thereof, whether written or recorded or stored on magnetic tape, disk or electronic or magnetic memory in any other form or on any other media, are not disclosed or otherwise made available by LICENSEE or by any of its employees, officers, agents, representatives or contractors, to any entities, organizations or

individuals not authorized by this License Agreement to use, possess, view, review, or otherwise access the Programs or related materials.

6.2 Proprietary, trade secret character of Programs

LICENSEE hereby expressly recognizes the proprietary and trade secret nature of the Programs and related materials, and expressly agrees as follows:

- (a) To use the Programs and related materials as specified in this License Agreement.
- (b) To ensure that specific Programs and related materials are used solely by those expressly authorized to use them;
- (c) To make no unauthorized copies of the Programs or related materials, or any component or portion thereof, by any means for any purpose whatsoever (except as is required for reasonable archival or security storage purposes), without prior written consent of LICENSOR;
- (d) To make no unauthorized dissemination of the Programs and related materials;
- (e) To instruct LICENSEE's employees, officers, agents or representatives, or any others, having access to the Programs or related materials that they may not copy or disseminate the Programs or related materials, in part or in whole, to unauthorized persons or entities, and that they may not provide access to them to any unauthorized person or entity; and to require compliance with these instructions as a condition of employment.
- (f) To effect security measures, including adoption of a written policy of confidentiality, adequate to safeguard the Programs and related materials from unauthorized use or access by persons other than its employees authorized to use the Programs for LICENSEE's own requirements.
- (g) To reproduce LICENSOR's copyright, trademark or patent notices or marks, and any other embedded proprietary or confidentiality notices or marks, on all materials related to or part of the Programs and related materials on which LICENSOR displays, or in which are embedded or written, such notices or marks, including on any copies made pursuant to this License Agreement.

6.3 No unauthorized copying, modification, dissemination

LICENSEE shall not copy, reproduce, reverse assemble, reverse compile, compare, modify, merge, transfer or distribute the Programs or related materials, or allow any other person to do so in any way or manner, without the prior written authorization of LICENSOR.

6.4 CONSENT TO INJUNCTION AND WAIVER OF LEGAL RIGHTS.

LICENSEE acknowledges that LICENSOR has gone to considerable time and expense to develop the Programs and related materials and that LICENSOR would suffer significant and irreparable harm and damage by unauthorized copying, reproduction or use of the Programs or related materials. LICENSEE further acknowledges that such unauthorized actions may and likely would cause significant commercial damages which would be difficult to quantify. Therefore,

LICENSEE agrees that, in addition to any other legal or equitable remedy available, LICENSOR shall be entitled to equitable relief including but not limited to temporary restraining and permanent injunctions. LICENSEE hereby expressly waives any right it may have to require LICENSOR to post a bond or other security, or to request a court to order that it do so, as a prerequisite to obtaining such equitable relief, other than a nominal bond in an amount not to exceed \$50.00 if such is required to invoke jurisdiction of the court. LICENSEE also hereby expressly waives any right to require that LICENSOR provide proof of actual or impending actual damage as a prerequisite to LICENSOR obtaining equitable relief.

7.0 LIMITED LIABILITY; DISCLAIMER OF WARRANTIES; INDEMNITY

7.1 LIMITATION OF LIABILITY

LICENSOR'S LIABILITY FOR DAMAGES TO LICENSEE FOR ANY CAUSE WHATSOEVER RELATED TO THIS LICENSE AGREEMENT OR ANY ACTIVITIES ARISING IN OR RELATED TO ITS PERFORMANCE, AND REGARDLESS OF THE FORM OF ACTION, WHETHER IN CONTRACT OR IN TORT INCLUDING NEGLIGENCE, SHALL BE STRICTLY AND UNCONDITIONALLY LIMITED. IN NO EVENT WILL LICENSOR BE LIABLE TO LICENSEE FOR ANY LOST REVENUES, LOST SAVINGS, OR OTHER SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES, OR FOR PUNITIVE OR EXEMPLARY DAMAGES, EVEN IF LICENSOR HAS BEEN MADE AWARE OF THE POSSIBILITY OF SUCH DAMAGES, OR FOR ANY CLAIM ASSERTED AGAINST ANY OTHER PARTY, IN CONNECTION WITH THE DELIVERY, INSTALLATION, TESTING, USE, PERFORMANCE OR NONPERFORMANCE OF THE PROGRAMS OR RELATED MATERIALS, OR THE ACT OR FAILURE TO ACT OF LICENSOR, OR OTHERWISE ARISING OUT OF, RELATED TO, OR IN CONNECTION WITH THIS LICENSE AGREEMENT. THIS LIMITATION OF LIABILITY WILL NOT APPLY TO CLAIMS FOR COPYRIGHT INFRINGEMENT, NOTWITHSTANDING ANYTHING HEREIN TO THE CONTRARY.

7.2 NO WARRANTY

LICENSOR PROVIDES THE PROGRAMS, IMPROVEMENTS AND RELATED MATERIALS TO LICENSEE AS IS. LICENSOR MAKES NO WARRANTIES, EITHER EXPRESS OR IMPLIED, AS TO ANY MATTER WHATSOEVER, INCLUDING WITHOUT LIMITATION, THE CONDITION OF THE PRODUCT, ITS MERCHANTABILITY, OR ITS FITNESS OF USE FOR ANY PARTICULAR PURPOSE. LICENSOR DOES NOT WARRANT THAT THE FUNCTIONS CONTAINED IN THE PROGRAMS OR IMPROVEMENTS WILL MEET LICENSEE'S REQUIREMENTS OR THAT THE OPERATION OF THE PROGRAMS OR IMPROVEMENTS WILL BE ACCURATE, UNINTERRUPTED OR ERROR FREE. NO ADVICE OR REPRESENTATIONS BY LICENSOR OR LICENSOR PERSONNEL SHALL CREATE ANY SUCH WARRANTY. LICENSOR DOES NOT MAKE ANY WARRANTY THAT ANY INFORMATION, DATA, SOFTWARE OR EQUIPMENT USED TO RUN OR ACCESS THE PROGRAMS OR IMPROVEMENTS, OR THE DATA THEY USE OR GENERATE, OR THE REPORTS THEY

GENERATE, WILL BE AT ALL TIMES FREE OF VIRUSES, WORMS, TROJAN HORSES OR OTHER HARMFUL COMPONENTS. LICENSEE IS SOLELY RESPONSIBLE FOR THE ACCURACY OF ANY AND ALL DATA, AND LICENSOR MAKES NO WARRANTIES OR REPRESENTATIONS ABOUT SUCH DATA OR ANY CALCULATIONS OR REPORTS THAT DEPEND ON OR UTILIZE SUCH DATA.

7.3 INFRINGEMENT INDEMNIFICATION

LICENSOR agrees to indemnify and to hold harmless LICENSEE from any damages finally awarded as a result of any third party claim of infringement of intellectual property asserted against LICENSEE by reason of LICENSEE's use of the programs or related materials as delivered by LICENSOR or used by LICENSEE, where such use by LICENSEE has complied strictly with the terms and conditions of this License Agreement and with the applicable terms of the Services Agreement regarding use, dissemination, and copying of the Programs and related materials, access to them, and protection and handling of them; provided, that LICENSOR is promptly given notice in writing by LICENSEE of any such claim and that LICENSOR has the right to elect to defend and settle, at its expense, any such claims; and further provided, that LICENSEE fully cooperates with LICENSOR in connection with any defense by LICENSOR of such claims or attempt to settle such claims. Failure of LICENSEE to provide such assistance shall be a material breach of this License Agreement, for which LICENSOR shall have the right immediately to terminate this License Agreement. LICENSOR shall not be obligated to defend such claims but may do so at its election. LICENSEE may elect to participate in any formal proceedings regarding such claims, but shall bear its costs of such participation and its costs to assist LICENSOR. LICENSOR shall have the sole right to determine the defenses of such claims concerning its intellectual property, and the sole right to determine whether to accept any settlement offer or other offer of compromises of such claims.

7.4 INDEMNITY BY LICENSEE

To the extent permitted by law, LICENSEE shall and does hereby indemnify and save LICENSOR harmless from any and all liability, losses, damages, claims, penalties, suits and actions in the nature of intellectual property infringement or appropriation, including but not limited to claims involving copyright or patent infringement; trademark infringement or dilution; violations of the Lanham Act or other acts protecting intellectual property; unlawful appropriation or unauthorized acquisition of trade secrets; unfair competition; or the like, arising out of LICENSEE's selection, possession, control, maintenance or use of the programs and related materials that are not in strict accord with the provisions of this License Agreement. For the purpose of this section, LICENSEE shall include without limitation officers, managers, employees, agents, representatives, volunteers, and contractors of, and others in privity with, LICENSEE.

8.0 REPRESENTATIONS

8.1 Status of LICENSEE; authority to make agreement

LICENSEE represents covenants and warrants that it is authorized by law to enter into the transactions contemplated by this License Agreement and to carry out its obligation hereunder. LICENSEE further represents, covenants and warrants that it has complied with all of its procedures and any procedures imposed on it by law so that this License Agreement is enforceable.

8.2 Disclaimer of reliance on other understandings or practices

Each party represents and warrants to the other party that, in entering into and performing its obligations under this License Agreement, it does not and will not rely on any promise, inducement, or representation allegedly made by or on behalf of the other party with respect to the subject matter hereof, nor on any prior or current course of dealing or of performance between the parties concerning or related to other agreements or undertakings, nor on any custom and usage in the trade, except as such promise, inducement, representation, or custom or usage may be expressly set forth herein.

9.0 REMEDIES**9.1 Equitable Relief**

LICENSEE agrees that because of the unique nature of the Programs and related materials, irreparable harm will be caused by a breach by LICENSEE of its obligations under this License Agreement, that monetary damages will be inadequate to compensate for such harm and that injunctive relief will be an appropriate remedy to enforce the provisions of the License Agreement, including as provided in Section 6.04 (Consent to Injunction).

9.2 Default

Without limitation hereby, the following shall constitute a default by LICENSEE (Default):

(a) Failure to pay when due any payment for the purchase of LICENSOR's product; (b) Failure by LICENSEE to comply with or perform any provision of this License Agreement; and (c) Any reduction in the value of the Programs and related materials caused by any act of LICENSEE that imperils the prospect of full performance or satisfaction of LICENSEE's obligations herein.

Except as otherwise specified elsewhere in this License Agreement, LICENSOR has the right immediately to terminate this License Agreement upon the occurrence of any event of Default as specified above, and upon LICENSEE's failure to remedy such Default within a period of twenty (20) days after notice by LICENSOR to LICENSEE of such Default, LICENSOR shall have the right to pursue any one or more of the following remedies without any further demand or notice to LICENSEE:

(i) Terminate this License Agreement, and enter the premises of LICENSEE and take possession of the Programs and related materials and/or destroy or cause to be destroyed all copies thereof on such premises or other LICENSEE computers or other equipment;

- (ii) Take whatever action at law or in equity LICENSOR in its sole judgment may consider to be necessary or desirable to collect the payments then due from LICENSEE, and/or to enforce performance and observance for any obligation, agreement or covenant of LICENSEE under this License Agreement; and
- (iii) Seek any other relief to which LICENSOR may be entitled at law or in equity.

10.0 MISCELLANEOUS

10.1 Assignment

LICENSEE's rights in and to the Programs and related materials may not be assigned, sublicensed, or transferred voluntarily, by operation of law or otherwise, without LICENSOR's prior written consent and the execution of a new License Agreement.

10.2 Notices

Any notice required to be given hereunder shall be in writing, and shall be deemed delivered (i) three (3) business days after deposit in the U.S. Mail, postage prepaid, sent by registered mail, (ii) one (1) business day after being sent for overnight delivery by a reputable commercial courier capable of tracking shipment and delivery, or (iii) upon hand delivery, to the address designated in this License Agreement and to the attention of the office named herein as designated for receipt of notice by the receiving party, or to such other address, facsimile number or person as the receiving party may designate in writing to the sending party from time to time.

If to LICENSOR:

Label Vision Systems, Inc.
101 Auburn Court
Peachtree City, GA 30269

If to LICENSEE:

At Licensee's main office or at the
address listed by government
agencies for Licensee

10.3 Severability

In the event that any provision of this License Agreement is determined to be invalid or unenforceable, the remainder of this License Agreement shall be valid and enforceable to the maximum extent permitted by applicable law.

10.4 Entire agreement; modification

This License Agreement is the entire agreement between the parties concerning the licensing of the Programs, and supersedes all oral or written proposals or understandings concerning such licensing. This License Agreement may be modified only pursuant to a writing executed by both parties. Should LICENSEE elect to issue a purchase order or any similar document for its own internal purposes, any conflict between the terms and conditions of the license order form and this License Agreement shall be resolved such that the terms and conditions of this License Agreement have precedence. No purchase order or other document of LICENSEE unilaterally issued or presented shall have the effect of creating a conflict with or a variance of the terms of this License Agreement.

10.5 Actions

In the event any action is brought by LICENSOR to enforce this License Agreement, LICENSOR shall be entitled to recover its costs of enforcement or settlement, including, without limitation, attorney's fees and court costs, and any costs of collection of past due amounts not paid.

10.6 Governing Law

This License Agreement shall be governed by and enforced in accordance with the laws of the State of Georgia.

10.7 No waiver of rights

No term or provision of this License Agreement shall be deemed to be waived and no consent to any breach or default shall be deemed unless such waiver or consent be in writing signed by the party against which such waiver or consent is asserted; the terms of this License Agreement shall not be deemed to be amended by any such waiver or consent unless in a writing expressly stating such amendment; and any waiver by either party, whether express or implied, shall not imply a consent or waiver of any term or provision on any other occasion, or any consent to any different breach or default.

11.0 APPROVALS AND ACCEPTANCE OF AGREEMENT

LICENSOR hereby expressly limits and restricts the right of LICENSEE to use the Programs unless and until LICENSEE has accepted the terms of this Agreement. LICENSEE expressly acknowledges that it has read and approved the Agreement through LICENSEE's use of the Programs. Additionally, LICENSEE has been requested by LICENSOR to read, acknowledge and accept the terms of the Agreement and has asked for confirmation that LICENSEE has read the terms of the Agreement and has accepted the same. LICENSOR's grant of the License to LICENSEE hereunder is made contingent upon an affirmative act of LICENSEE that it has read, accepted and agreed to the terms of the Agreement and LICENSOR would not have granted any rights to LICENSEE to the License or use of the Programs without such acceptance and agreement. The affirmative act on the part of the LICENSEE indicating that it has read and accepted the terms of the Agreement shall be considered sufficient by all parties to bind the LICENSEE to the terms of this Agreement and under those conditions, and those conditions only, LICENSOR is willing to grant the rights to LICENSEE as set forth herein.
